Sir:

Pursuant to 37 C.F.R. § 1.322, the patentee respectfully requests that a Certificate of Correction be issued for the above-referenced patent to correct the following errors:

IN THE SPECIFICATION

Column 9, line 60, please delete "in the form".

DEC 07 2005

U.S. Patent No. 6,963,390 B1
A. Smith et al
Request for Certificate of Correction

REMARKS

Duplicates of a Certificate of Correction (Form PTO-1050) incorporating the change listed above are included with this Request. The error appears to be that of the USPTO, and it is believed no fee is due. If it is determined that a fee is due, the Office is hereby authorized to charge the fee to Deposit Account No. 50-1213.

The Certificate of Correction seeks to correct column 9, line 60. During prosecution of the application, in a Preliminary Amendment filed on September 15, 2003, the phrase "in the form" was deleted at page 18, line 7 of the original specification. Although the amendment was entered, the deletion was not reflected in the printed patent.

No new matter has been added. Approval of the proposed change and issuance of the Certificate of Correction are respectfully requested.

Respectfully submitted,
Heller Ehrman LLP
